

I have been a listener of K-LOVE for about three years. I have been a financial supporter of K-LOVE for the last two years. It has become such a huge part of my life, I can't imagine not being able to hear it anymore.

K-LOVE has served me and my family by offering an alternative to run of the mill radio stations. K-LOVE is an incredible tool to help teach our children about right and wrong. It is so encouraging to hear my 5 and 3 year olds singing along with the songs on K-LOVE. I have even received phone calls from K-LOVE to see if there is anything that the staff can pray about for my family. What other radio stations offer that kind of support and encouragement.

If K-LOVE was taken off the air to allow a LPFM station to broadcast, I believe that the community would lose a light in the darkness. A huge source of encouragement and support would be lost. Just hearing a song on K-LOVE can totally change your mood and outlook and can help you through whatever your troubles are. I believe that God uses K-LOVE to remind us that He is right here with us and that we will never be alone.

The product that K-LOVE offers is a huge benefit to the public. Not only is it a huge source of encouragement and support, but it also is one way where we are following the Great Commandment, to go forth and make disciples of all nations. It offers a unique way to spread the word and offers a light in the darkness that is pop radio today.

Please, keep K-LOVE on the air!
